

ELIMINATES SPARK PLUG LEAD FOULING.

FOR USE IN 100LL AVIATION GAS

USED IN PISTON AVIATION ENGINES SINCE 1976

WARNING! WARNING! WARNING! DO NOT CARRY ABOARD AIRCRAFT! HARMFUL OR FATAL IF SWALLOWED! KEEP OUT OF REACH OF CHILDREN! CONTAINS TOLUENE (CAS#108-88-3)

USE ONLY ACCORDING TO DIRECTIONS.

Always store upright in temperatures below 120°F away from heat, sparks (including static electricity), or flame. Use only in a well-ventilated area, preferably outdoors. Avoid prolonged or repeated breathing of vapors or contact with eyes and skin. Product may be harmful if absorbed through skin. Avoid contact on painted surfaces of all types.

Consult Material Safety Data Sheet (MSDS) for more information.

DIRECTIONS: For best results, use 1 oz. for every 10 gallons of 100 LL avgas. Dispensing syringe may be used to inject the desired amount into the gas tank. Tightly reseal cap to avoid leakage. Dispose of container properly. Do not reuse or recycle container. Go to www.alcorinc.com for additional information (FAA approval, MSDS, Frequently asked questions) or call 1-800-FLI-SAFE (800-354-7233).

FIRST AID: In case of eye contact, flush with water for 15 minutes and seek medical attention immediately. If ingested, DO NOT INDUCE VOMITING. CALL A PHYSICIAN, HOSPITAL EMERGENCY ROOM OR POISON CONTROL CENTER IMMEDIATELY! In case of excessive inhalation, move to fresh air immediately. If breathing is difficult, GET MEDICAL ATTENTION IMMEDIATELY! In case of skin contact, wash affected areas with soap and water immediately.

NON-WARRANTY: All statements and recommendations herein are based on the best information available and are believed to be reliable. However, no warranty, either expressed or implied, is made concerning the application or use of this product since the customer's use cannot be controlled. Statements concerning the use of this product should not be construed as recommendations, suggestions or inducements to use this product in violation of any applicable laws or regulations.
